

EPRBioDose2026

August 31st - September 3rd 

**Ottawa
Canada**

Biodosimetry into the Future

Meeting Dates

08/29 - EPR and Biodosimetry
training courses

08/30 - WHO BioDoseNet
Meeting (closed)

08/31 - 09/03 - EPRBioDose
Conference

**Registration
opens
January 1st,
2026!**

**Early registration
before May 30th**

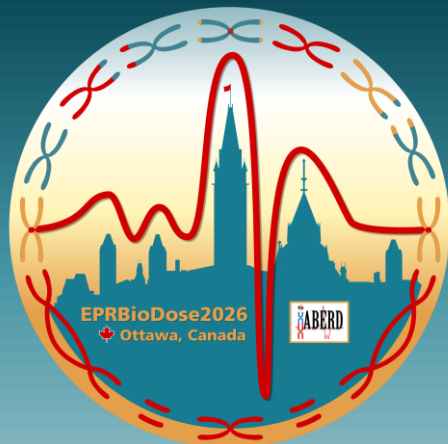

Presented by:

Taking place at:

THE WESTIN
OTTAWA

Latest information can be found at: eprbiodose2026.org

**Abstract deadline:
May 1st, 2026**

Scientific Topics

- Recent developments in EPR and biological dosimetry
 - New biomarker discovery
 - Retrospective and accidental dose assessment (EPR & biological dosimetry)
 - Space biodosimetry
 - Biodosimetry of internalized radiation
 - AI and modelling in biodosimetry and dose reconstruction
 - Radiation emergency response
 - EPR Dating
 - Networking and exercises
 - Retrospective dosimetry in military conflicts
- (see website for complete list)

Student Awards for best Abstracts

Winners will have the registration fee waived and receive additional funding to support travel.

**Submission deadline:
April 1st, 2026**

**Winners will be announced
on April 30, 2026.**
